Corazon Latino

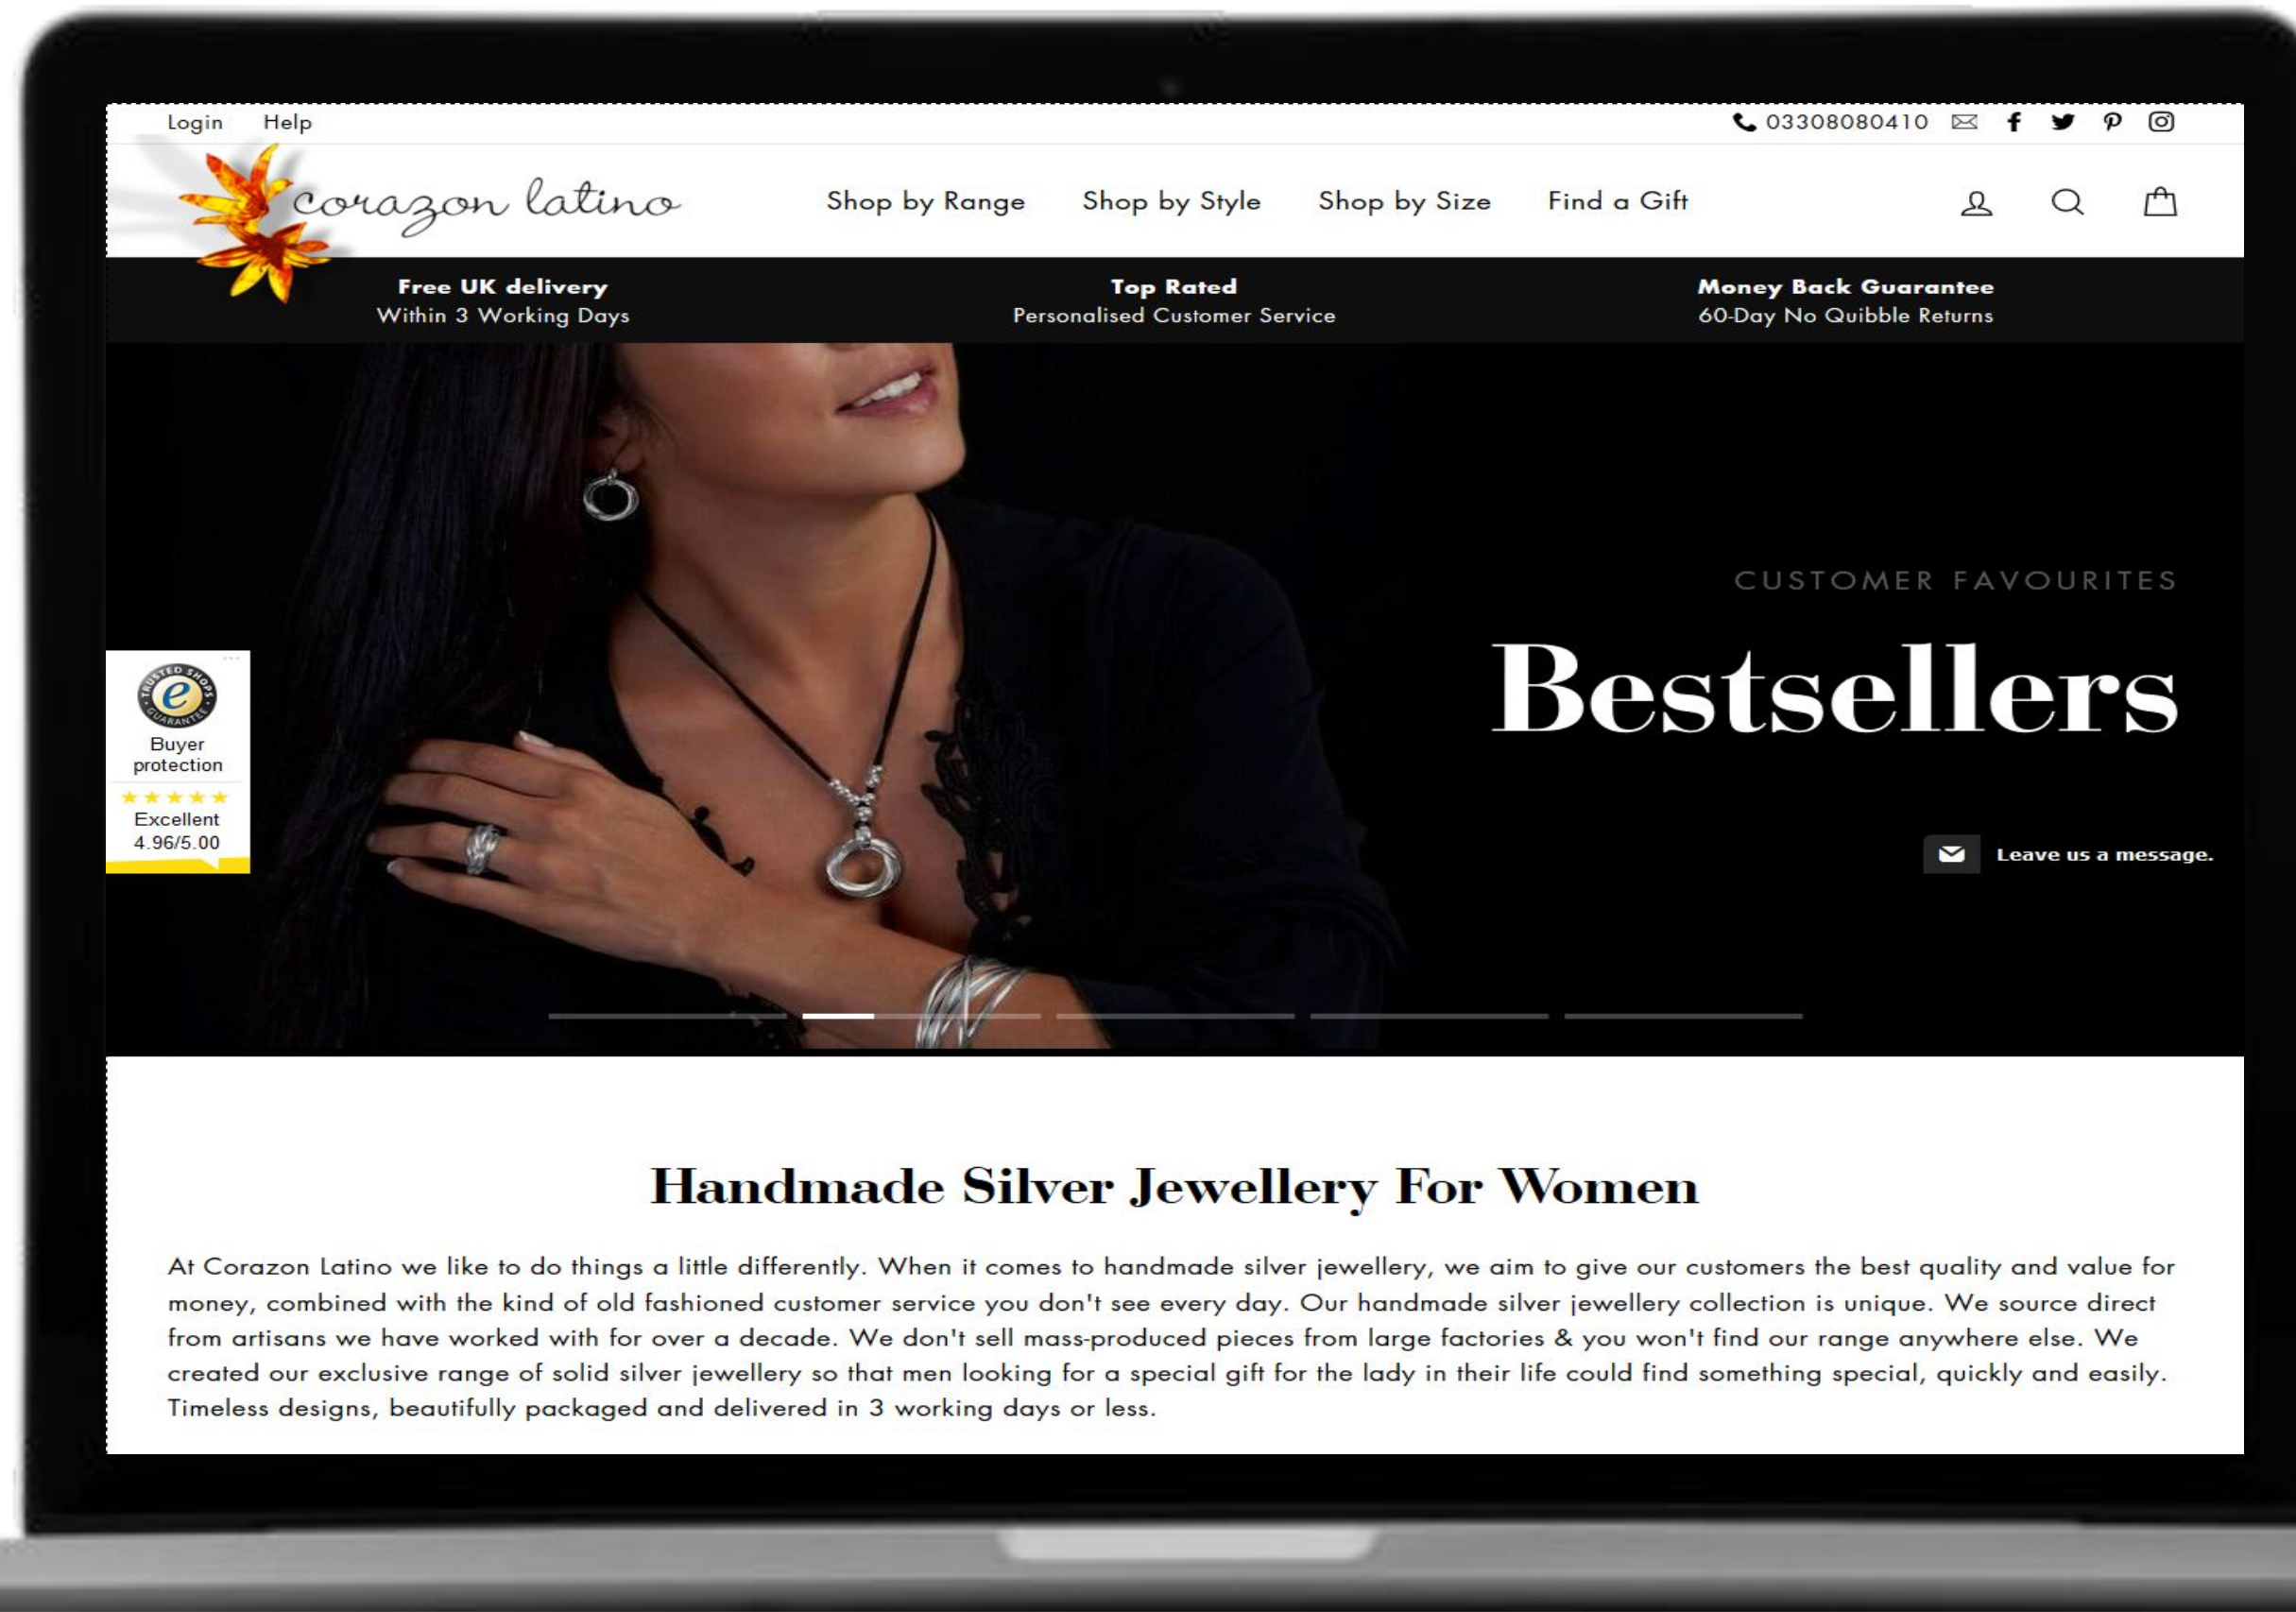

Highlights

- Corazon Latino is a small family business. It is supported by an incredible group of people all over the world.

They started Corazon back in 2005 with just 20 designs, one Mexican silversmith, a beautiful girl they saw at a local gym as our model, and a determination to change the way jewellery was sold online.

Over the years, thanks to a loyal following around the world, the Corazon family has grown and grown.

Handmade Silver Jewellery For Women

At Corazon Latino we like to do things a little differently. When it comes to handmade silver jewellery, we aim to give our customers the best quality and value for money, combined with the kind of old fashioned customer service you don't see every day. Our handmade silver jewellery collection is unique. We source direct from artisans we have worked with for over a decade. We don't sell mass-produced pieces from large factories & you won't find our range anywhere else. We created our exclusive range of solid silver jewellery so that men looking for a special gift for the lady in their life could find something special, quickly and easily. Timeless designs, beautifully packaged and delivered in 3 working days or less.
